

We are here to help you succeed in the **WORK**force!

Jade has been a part of the Work4College Program since 2017 and 2018. When she first started, she was a shy and nervous person. She had never before. During her time, she learned how to communicate and build relationships. She has gained confidence and skills that will help her in the workforce. She has also learned how to manage her time and prioritize her tasks. She has been able to balance her schoolwork with her work and her personal life. She has been able to gain experience in a real-world setting and has been able to apply what she has learned in the classroom to the workplace. She has been able to gain a better understanding of the industry and has been able to build a network of contacts that will be helpful in the future. She has been able to gain a better understanding of the industry and has been able to build a network of contacts that will be helpful in the future.

After graduation from North Carolina Central University in 2019, she worked for the University of North Carolina at Chapel Hill. She has been able to gain experience in a real-world setting and has been able to build a network of contacts that will be helpful in the future. She has been able to gain a better understanding of the industry and has been able to build a network of contacts that will be helpful in the future.

Currently, Jade is a Sales Representative at a local business. She has been able to gain experience in a real-world setting and has been able to build a network of contacts that will be helpful in the future. She has been able to gain a better understanding of the industry and has been able to build a network of contacts that will be helpful in the future. Jade said, **"The Work4College Program allowed me to gain experience in life and in the workforce. This opportunity opened unexpected doors and gave me the skills, knowledge, and confidence to paint houses for friends and family earning extra cash while I was in school. It was by far the best investment of my time and energy!"**

The Work4College Program is a partnership between NTCC and local businesses. It provides students with the opportunity to gain real-world experience while still in school. For more information, please contact us at 1-800-368-7000 or visit our website at www.ntcc.edu/work4college.
