

WANT TO GO TO COLLEGE?

Are you willing to **WORK** for it?

WORK: You may get your hands dirty working on the college farm, painting classrooms and dorm rooms, or pulling weeds and mowing. Many of you might work in the Student Services area giving tours, recruiting new students, or even helping other students fill out financial aid forms.

SERVE: You will learn the value of giving back by being involved in various community service projects.

LEARN: Work ethic, time management, interview skills, community service and knowledge of other workplace expectations are all a part of your learning experience in the Work4College Program.
